

**EA BAND PARENTS ASSOCIATION BOARD AND COMMITTEES**  
**2010-2011 – As of Tuesday, July 13, 2010**

**ORGANIZATIONAL STRUCTURE AND KEY COMMITTEES**

- Our Association is working to develop a strong committee structure led by one or two people who are willing to take charge of one area and help to organize band parents for specific purposes.
- If a parent of a senior coordinates a committee, we will need to find a co-coordinator of a parent of a student who is younger so that we can cross-train and build more depth and knowledge with other parents.
