

Summer Band Uniform Info

Pants

Boys: Men's Dockers

Style: Flat Front/Classic Fit

Color: Cement

(The smallest size these come in is 29/30)

Boys: For sizes smaller than 29 waist you have to go to the boys department where you can find slacks that are similar to the dockers but the color is a little darker than the cement. Stay away from the tan because it clashes with the other pants and they stand out when the band is together.

Girls: Misses Lee Pants

Style: At the Waist/ no pleat

Color: String

(These pants come in even sizes 2-18 in misses section and 20 and up in ladies dept. They come in small, medium and long for the length.)

Girls: for sizes 1,3,5,7,9,11,13,15,17, you'll have to get Arizona jeans from Penny's. These pants are a little darker than the string color and only come in flare bottoms but they are the closest in color to the Lee pants.

The pants listed above can be found at Penny's and Kohl's

Shirts

These are ordered from the high school graphic arts department. Last year, we were charged \$11 per shirt and that is what we charged the students. When unable to get these shirts in time for an event, you can get blue colored polo shirts with no logos and they blended in pretty well.

Full summer uniform consists of blue polo shirt w/band logo, above listed pants, black socks (above ankles), black band shoes, and black belts for boys.
